Nursing is a very large collection of concepts

1054 Such as, society, environment & health. #

, Value. {personal / corporate. }

* Principles or standards of behaviour. One's

Judgement of what is important in life.

Oxford Dict.

* Important & lasting beliefs or ideas about what's
good & bad & desirable & undesirable.

* Values have major influence on a person's
behaviour & attitude & serve as a broad guideline
in all situations.

Respect is a core value. CRHQ-102

Values have influence on person at work -
